The public may obtain access to public records by directing a request to the “custodian of the records.” The request should be in writing to ensure that your specific request is understood. The request may be made:

- In person
- By mail
- By email

Records maintained in the Arkansas State Board of Nursing office are:

- Licensure database – includes initial and renewal licensure documents
- Disciplinary actions – includes facts and findings determined by the Board following an investigation
- Continuing Education – audits of licensee continuing education requirements
- Nursing program surveys – reports of inspections of nursing education programs
