

Continuing Education Websites

The following is a list of potential websites, which may assist you in your search for acceptable sources of continuing nursing education. This is not intended to be an all-inclusive list, nor are any of the vendors listed here endorsed or necessarily approved by the Arkansas State Board of Nursing. Depending upon the organization that approved the courses offered, the Arkansas State Board of Nursing may or may not accept such courses for continuing education credit for the purpose of licensure renewal. Please refer to the list of *Approved Approval Bodies* to determine if the site is approved by ASBN.

CONTACT HOURS FROM MEDCEU IS NO LONGER ACCEPTED BY ASBN.
